Fowler Road News

From the Fowler Road Team

We have had a very successful semester at Fowler Road School. We have participated in our weekly Zones of Regulation lessons which focus on self-regulation by providing strategies to teach students to become more self-aware and independent at controlling their emotions and impulses, manage their sensory needs and improve their ability to problem solve conflicts. This term, our High Schoolers also attended the World Skills show at Darling Harbour which allowed them to discover future career choices. Our end of term school camp was a huge success also with staff and students having a fantastic time. We hope to continue our successful achievements next semester and wish our Year 12 students the best of luck in their final semester!

Beti Neskoski- R/Assistant Principal

Safe... Smart... Prepared

Class in the SPOTLIGHT

Class 6- Ms. Beti, Mr. Andy, Mr. Linell

We have had a very busy end to Term 2 in High School. Students have been working diligently to complete assessment tasks and exams for their half yearly results. We also had our yearly camp at the Great Aussie Bush Camp and our kids had a great time doing all the activities such as giant swing, high ropes and rock climbing. Stage 4 have completed their History studies for the year, ready to embark on their Geography studies. We have loved learning about Ancient Egypt and the Vikings in History this term and can't wait to explore the world geographically next term!

Students developing water confidence and team work skills through Kayaking at the Great Aussie Bush Camp!
