

Fowler Road News

From the Fowler Road School Team

We are just over halfway through Term 4 and what a busy term it has been for our Fowler Road School students so far. Students have been participating in the weekly Gymnastics program run by Auburn PCYC and it was fantastic to see the students having so much fun and progressing immensely with their acrobatic skills. Students have also participated in NRL for our weekly sport lessons and students have been really developing their league and ball skills. As the weather is getting warmer, it is also pleasing to see our students being responsible and caring for our school gardens. I would also like to give our middle school students a big shout out for their fantastic engagement in the SHINE Student Leadership course. It is wonderful to see how you have all grown as students and leaders in our school community!

Ms Beti Neskoski – R/Assistant Principal

Safe... Smart... Prepared

Class in the SPOTLIGHT

Class 5 – Ms Beti, Mr Chris, Ms Shalini

Classroom 5 has been enjoying a great start to term 4. We have been exploring the different ways that we can learn about 'Mass' during our mathematics lessons in recent weeks. Students have shown excellent teamwork throughout these lessons; we continue working on incorporating appropriate social skills within our academic lessons in the classroom. At the beginning of the term, Class 5 students set themselves a challenge. We decided to begin our own 'Discovery Garden'. This has given students the responsibility to research a variety of different garden items and collect the data as they begin to grow. It has been great to see the students taking responsibility of their plants and vegetables, they continue to make sure their garden items are watered and receive plenty of sunlight each day. Well done Class 5!
