

## Fowler Road News

### From the Fowler Road School Team

Term four is moving along super quickly and it has been great to see all students continuing to work hard to achieve their personal goals. As the warmer weather has started to set in, we have been refocusing on sun safety and have been encouraging all students to wear a hat whilst outside or spend time in the shade of our new COLA. We have also recently moved our Friday assembly to this shaded outdoor space and have enjoyed the fresh air during our last few assemblies. Over the next few weeks, students will begin undertaking end of year assessment tasks. I encourage all students to try their best with these tasks and look forward to seeing some excellent results across the school!

Ms Amy Burge- R/Assistant Principal

### Class in the SPOTLIGHT

#### Class 4 – Ms Jai, Ms Bec, Mr Andrew

We are almost half way through term 4 and students have been working on their literacy and numeracy tasks, using their self-regulation tools and demonstrating positive peer interactions. Class 4 have been engaging in Occupational Therapy sessions every Monday which has assisted them in improving their fine and gross motor skills. Students have also been participating well in our Rugby League sports program, where students have been developing key skills including kicking, catching and throwing. It is great to see all students persevering and participating during this time. Well done class 4!

### STARS

#### Star of the WEEK
