

## Fowler Road News

### From the Fowler Road Team

As we near the middle of term one, it has been great to see the students settled into their new classrooms and responding well to class structures, systems and routines. Students have been working with their teachers to set personalised goals in order to work towards achieving their social and behavioural goals. Students have also been working particularly hard on completing their literacy and numeracy assessment tasks and working towards their individualised outcomes in these learning areas. This term, students are working on the concept of 'Community' with focus on History, Geography, Science and Technology and PDHPE. Topics include Places and Spaces, First Contact and Making Democracy. We are all looking forward to an exciting second half of the term, particularly engaging in the school swimming and water safety program at Merrylands Swim Centre in weeks 8 and 9.

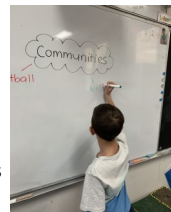

Ms. Bianca Bramall – R/Assistant Principal

### Class in the SPOTLIGHT

**Class 2– Ms.Steph, Mr Zac , Ms. Paris**

Class 2 has had a great start to the year and have settled into their new classroom with new staff members: Miss Steph, Miss Paris and Mr Zac. Students have started a new integrated unit focusing on Communities and Democracy. Our class enjoyed voting in a preferential vote for our favourite takeaway restaurants, the winner was KFC! This term for Sport, students are engaging in NRL One Community with Mr Michael. We are learning new skills such as passing, catching and team work. We are looking forward to a hard working term!
