## Fowler Road News

### From the Fowler Road Team

We are nearing the end of Term 1 and Fowler Road School students have been busy engaging in meaningful lessons and participating in a variety of learning experiences. Students have completed the Swim School program and it was fantastic to see the achievements students have made and the confidence they have gained with their swimming skills. Next week, we will be celebrating Harmony Day. This day celebrates Australia's cultural diversity and the lessons teach our students about inclusiveness, respect and a sense of belonging for everyone. Each class group will also rotate across all classes within the school, with each classroom focusing on a different continent and students engaging in a set activity and encouraged to try some food from various cultures. As the school holidays are approaching, we wish students and families a safe and wonderful break!

### Class in the SPOTLIGHT

Class 5- Ms. Beti, Mr. Chris, Ms. Paris

Classroom 5 continues to enjoy exploring history about the 'First Fleet' while using our new school wide 'MAPPEN' program. This program allows students to learn as a whole class, in pairs or encourage independent enquiry based learning by accessing the website. Students in class have been excelling with their academics each day, this week we have enjoyed lessons during our Length unit, which saw students given the task of measuring a variety of objects in the classroom and our environment, well done everyone! In preparation for our upcoming 'Harmony Day' celebrations in week 11, Classroom 5 students have participated in a variety of Harmony Day focused tasks during our 'Social and Emotional Learning' lessons. It has been amazing to hear all of the great contributions to this topic by all students, well done Class 5!
