

## Fowler Road News

### From the Fowler Road Team

Can you believe that we are halfway through the school year already? The time has flown by! Speaking of flying, Fowler Road School attended the Great Aussie Bush Camp in Kincumber last week, where all the students and some of the staff who attended had a great time climbing on, over, through and jumping off the various obstacles and challenges. It was wonderful to see the students encourage and support each other through the challenges. I hope everyone enjoys their holidays, see you next term!

### Class in the SPOTLIGHT

Class 3— Mr. Josh, Ms. Sherry and Mr. Pita

Class 3 have had a great second term. Students have continued to work well as a team and support each other in making great choices in the classroom. This teamwork was evident at our recent camp trip to the Great Aussie Bush Camp in Kincumber. Senior students attended the overnight camp and participated in various activities including the giant swing, high ropes, lost island, the power fan and rock climbing. Class 3 students have worked extremely hard on academic tasks, completing a number of literacy and numeracy assessment tasks as the semester comes to an end. Class 3 staff are very proud of the efforts of all students this term and we are looking forward to another successful semester.
