## Fowler Road News

### From the Fowler Road Team

We have had a busy few weeks at Fowler Road School this term. With Education Week upon us, we hosted two Open Days to highlight the partnerships we have with our families, 'home' schools and the wider community. We welcomed our parents and carers on the first Open Day and what a success this was! It was wonderful seeing so many of our parents and carers attend this day and engage in a game of Cricket and BBQ lunch. Our second Open Day consisted of open classrooms for our mainstream school staff and our wider school community who celebrated with us the achievements our students have made at Fowler Road School. It was great to meet our new school Director Grant Sparke and introduce him to our wonderful school also! Finally, we would like to congratulate our Year 12 students Michael and Vanessa for completing their trial HSC exams and wish them luck for the remainder of the year as they prepare to embark on their final exams.

Beti Neskoski- R/Assistant Principal

Safe... Smart... Prepared

### Stars Of the Week

#### Being in the right place

Mahdy

Braydon

#### Doing my best work

Amy

Oliver

Emad

#### Co-operating with Staff

Raven

Riley

#### Being Safe

Adam

Noah Finch

### Just a Reminder

As part of our duty of care, it is important that we have an accurate record of where your child is at all times. If your child is absent from school, please ensure that you provide an explanation for this absence. Please note that if your child arrives after 9.00 am, this is considered a Partial Absence.

### Class in the SPOTLIGHT

Class 5— Ms. Beti, Mr. Chris and Ms. Shalini

Class 5 has been having a great time learning together this term. We have begun our new unit of work 'Someone Else's Shoes', which has allowed us as a team to bring together our knowledge regarding conditions that may impede on ways people live their daily lives. We have learned about others experiences, how we may assist them, the appropriate ways to show them respect and let them know we care. This unit has complimented our daily 'Zones of Regulation' practices at Fowler Road School where we identify our feelings throughout each day and choose to 'walk through' our feelings together. We explored different scenarios and tried to figure out how someone may be feeling during these scenarios by walking in their shoes.
