

Fowler Road News

From the Fowler Road Team

Term three is really flying along and our school has been a busy and productive learning space over the past few weeks! Our primary students have been highly engaged in units of work centred around social justice and are enjoying learning more about celebrating differences, empathy, and helping others. Our high school and tutorial students have been working hard on exam preparation and leadership skills, as well as embracing everyday academic challenges with positive results. Students across the school have shown patience with some construction work happening on our grounds and we are very excited to have a new garden space in preparation for our Aboriginal Garden. Students worked hard on art designs for this space earlier this year and we are looking forward to having this art displayed in the garden. We are looking forward to celebrating Children's Book Week on Friday of week 6 with a book character parade and activities throughout the day. It's always great to see the enthusiasm and creativity of our school during Book Week and I am sure this year's parade will be just as exciting!

Amy Burge- R/Assistant Principal

Class in the SPOTLIGHT

Class 6- Ms Amy, Mr Marty , Mr Will, Mr Linnell

Class 6 is having a very busy and successful term! Our stage three students have been learning about community aid organisations and children's rights and are currently putting together presentations to show what organisations do to help protect children's rights. Stage four students have been learning about water in our world and the importance of groundwater and renewable resources. We are currently planning a local waterways investigation which will include local observations and data collection. Stage five students are continuing with independent learning tasks through Distance Education, and have been building their personal resumes. Keep up the great work, everyone!

Gymnastics - Wednesdays
(1 class per week)

Just a Reminder

Please do not allow your child to bring toys to school. We do not want them to get lost or stolen. It would be appreciated if parents and/or carers could remind their child about this school rule.
