## Fowler Road News

### From the Fowler Road Team

This term, staff and students have been very busy completing their literacy, numeracy, connected outcomes lessons, Sport and Child Protection lessons. Fowler Road School students have had fun engaging in these lessons while sharing in meaningful learning experiences. Middle school students have also enjoyed participating in the weekly student leadership lessons that aim to provide the students with relevant leadership skills to enhance their social and academic journey as they progress through their higher schooling. This week, we have also had the opportunity to plant our native plants in our Aboriginal Garden. Thank you to the parents and carers who joined us for our special Aboriginal Garden project and who assisted us in planting these plants. A fun afternoon was had by all students, staff and parents and carers! As the school holidays are approaching, we wish students and families a safe and wonderful break and wish our Year 12 students the best of luck with their upcoming HSC exams!

### Class in the SPOTLIGHT

Class 2— Ms Steph, Mr Zac, Mr Bailey

Class 2 have had a positive term and have engaged in a variety of fun activities. In week 1, Healthy Harold visited Fowler Road School to teach us about Cyber Safety and how to keep our settings private. Fowler Road School also held an open day for our parents and home schools. Thank you to all parents and home school staff that attended! Class 2 also enjoyed participating in R U OK? Day where students recognised the importance of caring for others and checking in with family and friends. Great effort from all students this term!
