Fowler Road News

From the Fowler Road School Team

Welcome back to our last term of what has been a very interesting year! Last week, our Year 3 students completed the Reading and Numeracy Check In Assessments. This week our students are engaging in anti-bullying theatre workshops delivered by Brainstorm Productions which was held off from Term 2. Presented by professional young performers, these programs inspire students to build resilience and positive connections. All students have now completed the Tell Them From Me surveys. Thank you to those parents and carers who have completed the parent surveys. It will assist our school to identify how we can best support your child at Fowler Road School. Next week our Year 12 students begin their HSC Exams. We want to wish them luck with their exams and look forward to celebrating their achievements with them at the conclusion of the school year!

Ms. Beti Neskoski- Assistant Principal

Community Activities/ Excursions

Welcome back to term four! We are very excited to announce that NSW Department of Health restrictions have changed and we will be able to return to having community access and excursions as part of our school program this term.

Please return the permission note that was sent home, so that your child is able to access these activities.

UPCOMING EVENTS

Book Week

23/10/2020

Just a reminder

A reminder to all students and parents/carers that students are required to wear a hat on playground. It is important that you name your child's hat to ensure that it is returned to them if it is lost. Bucket hats are available for students at school who do not bring their hat from home.

Class in the SPOTLIGHT

Class 1-Mr Mario, Ms Shontelle, Mr Zac

Class 1 has had an excellent first week back of term 4! The class has worked very hard on a variety of activities including art, tactile activities, sport, Mathematics and English. The students have been very friendly with each other and have shown just how much potential they have as a class to move forward and achieve great things. In particular, they did an amazing job with their Occupational Therapy activities, creating wonderful and colourful tactile play toys!
