Fowler Road News

From the Fowler Road School Team

Can you believe it is the year 2020? I hope all our students, families and carers enjoyed a safe and restful summer break and it is fantastic to have all the students back at school. It has been pleasing to see everyone settling into their new classrooms and engaging well in their new programs. Students are working hard on completing their start of year assessments and learning tasks. I have also noticed a majority of students developing great friendships with their new class peers and displaying safe behaviour around the school. Well done everyone on a great start to the year!

Mr Chris Mackay – R/Assistant Principal

Class in the SPOTLIGHT

Tutorial– Mr. Mackay and Ms. Jen

I would like to offer a warm welcome back to everyone for the 2020 school year and highlight what a great start the students in the Tutorial class have made! All the students have returned to school looking refreshed and relaxed after the summer break and they have all been very focused on participating in and completing their learning tasks. We have four students completing their HSC this year, one student completing preliminary studies and one student completing their Year 10 record of school achievement. Let's keep working hard!

Attendance

Your child's attendance at school is important. When your child misses school, they miss important opportunities to learn and develop. If your child is absent from school, please contact us or provide a written explanation as to why they are away. Your support is greatly appreciated!
