

Fowler Road News

From the Fowler Road School Team

Welcome back to Term 2! It has been a challenging time for all schools over the last few weeks but as we head into Term 2 we have a more positive outlook with a planned phased attendance plan. From Monday 11th May (Week 3), students will begin one day attendance with their class and regular class staff. Teaching staff will contact parents/carers and outline days of attendance for each student. It has been wonderful to see how staff, students and parents/carers have faced the challenges of remote learning and working collaboratively together to ensure successful educational outcomes and emotional wellbeing for all students during this time. It has been great to see so many of our students engaging in the work packages sent home with teachers receiving quality work samples. Parents/carers, your efforts have not gone unnoticed and as a school community we appreciate all of the hard work you have done at home to ensure your children are still learning and engaging in their education and we thank you immensely. We look forward to welcoming our students back to Fowler Road School and we can't wait to see them all at some stage next week!

Ms. Beti Neskoski— Assistant Principal

Home Learning Update

Online learning at Fowler Road School will continue across weeks 3 and 4 with students receiving their new timetables. The lesson content will be the same for all students, whether on-site or off-site.

We appreciate your efforts and look forward to the term ahead.

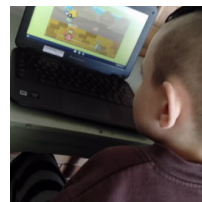

Just a reminder

From May 11th (Week 3), students will begin one day attendance a week. Students will be with their own class as well as regular staff members on their allocated day.

Class in the SPOTLIGHT

Class 5-Mr Chris, Mr Jayden, Ms Maria

Students from Class 5 have continued their academic learning through onsite and home learning platforms. Each day they continue to communicate with their teacher regarding their wellbeing and their academic progress during this time. It has been delightful to see the extra curricular activities that students have continued to do with their family members at home, well done everyone!

Your child's class teacher would have notified you of your child's scheduled one day per week of attendance starting week 3. If you have any questions please don't hesitate to contact us.
