FRS Update

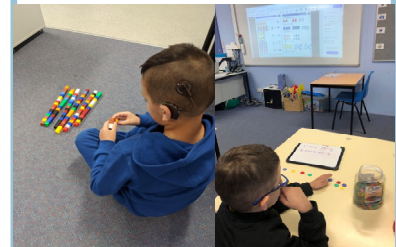

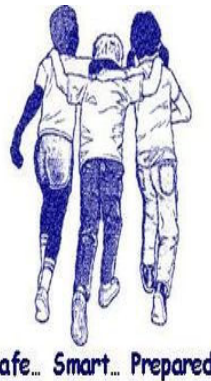

On 25/05/20 students returned to fulltime attendance and teaching at Fowler Road School and we are very happy to have everyone back safely at school and engaging well with their learning tasks!

Fowler Road News

From the Fowler Road School Team

Can you believe we are more than halfway through Term 2? With the return of students to full time attendance, Fowler Road School is back into full swing and it has been great to see all students return to classes with enthusiasm and trying their best to achieve their learning goals. Unfortunately, as we are unable to undertake any excursions at the moment ,Fowler Road School camp (scheduled for week 9 this term) has been cancelled. The executive team are trying to find an alternative activity for later in the year and school camp will be back in 2021!

Mr Chris Mackay – R/Assistant Principal

UPCOMING EVENTS

Last day of Term 2

03/07/2020

Attendance

Students were expected to return to school from the 25th of May 2020 unless:

- They have a medical certificate that states that they are unable to return to school due to an ongoing medical condition.

- Students should only return to school when all symptoms are clear.

Class in the SPOTLIGHT

Class 7-Mr Mackay, Ms Jen

We are pleased to announce that all of our students have returned back to FRS. It is great to see all students are engaged with their learning and have returned with a positive mindset. It is great to see their commitment and dedication to their studies, especially our year 12 students who are working extremely hard. All students have started their assessment tasks and will be very busy until the end of term whilst completing their weekly set work. Last week our year 10 student received 19/20 for their recent assessment task and an English award from Sydney Distance Education High School for 'high achievement'. Our students are doing well and Miss Jen is definitely pleased to be back to face to face teaching. A big thank you to Mr Mackay for supporting the students who attended FRS during the period of altered attendance.
