FRS Update

Our students have been very busy over the last fortnight with lots of fantastic learning happening in classrooms.

Fowler Road News

Safe... Smart... Prepared

From the Fowler Road School Team

We are nearing the end of Term 2 and Fowler Road School students have been busy engaging in meaningful lessons and participating in a variety of learning experiences since returning to full time attendance. Students have participated in National Reconciliation Week activities with an emphasis on Sorry Day. National Reconciliation Week (NRW) is a time for all Australians to learn about our shared histories, cultures and achievements, and to explore how each of us can contribute to achieving reconciliation in Australia. With all the unrest occurring in the world in recent weeks, it is fitting that reconciliation must live in the hearts, minds and actions of all Australians as we move forward, creating a nation strengthened by respectful relationships between the wider Australian community and Aboriginal and Torres Strait Islander peoples. Next term's PDHPE focus will be on Child Protection for our students. More information will be provided in due course with a permission note to come home prior to commencement of the lessons. Please keep your eye out for this information in the coming weeks.

UPCOMING EVENTS

Last day of Term 2

03/07/2020

Staff Development Day

20/07/2020

Beginning of Term 3

21/07/2020

Class in the SPOTLIGHT

Class 1-Mr Mario, Ms Beti, Ms Shontelle and Mr Zac

Class 1 has had an amazing term - we have worked very hard on stretching our inquisitive, artistic and academic talents in a variety of areas. In particular, our class has worked hard on our "on this day" projects, where we celebrate history and art by recreating special moments in history through the artistic form. Our students loved creating their own radio designs on the 2nd of June 2020, which was celebrating the real event which occurred on the 2nd of June 1896, when the first ever radio wave patent application was made. It has been great to see Class 1 building positive friendships with one another and moving forwards in academic, artistic and inquisitive success together.

We are nearing the end of term 2 and all students have been working hard to achieve their academic and behavioural goals.

Students return to school on Tuesday 21st of July 2020 to start term 3!
