## Fowler Road News

### From the Fowler Road School Team

As we are nearing the end of Term 3, students have been working hard to follow the Fowler Road School rules with many students demonstrating focused, respectful and safe behaviours. It has been wonderful seeing students participating well in their weekly Occupational Therapy (OT) sessions in which they have been practicing their fine and gross motor skills through fun and engaging whole class lessons. Students have been actively participating in their classroom activities and demonstrating prosocial behaviours in class and on playground. All students continue to work on following their classroom goals. Keep up the amazing effort!

Ms. Bianca Bramall– Assistant Principal

### Students working on projects in class

### UPCOMING EVENTS

Footy Colours Day

**11/09/2020**

### Just a reminder

It is important that students are dressed in appropriate clothing and footwear i.e. closed shoes and shirts with sleeves. Students should also bring a jumper/jacket with them daily to accommodate changes in weather

### Class in the SPOTLIGHT

Class 5 - Mr Chris, Ms Maria, Mr Matt

Class 5 have enjoyed utilising new educational resources that have helped them to develop their understanding and expand their current knowledge towards our Social and Emotional Learning. This term students received a copy of 'The Big Life Journal' and an in depth 'Social and Emotional Journal', providing them with an exciting opportunity to explore over the next semester. By using these learning journals, students have been able to discover their inner potential lying just within. Through a range of extensive chapters, students continue to expand their comprehension towards the in-depth learning content. Students are currently learning ways to believe in themselves, why being unique is important and how to develop a growth mindset. We continue to look forward to our further journal learning this semester when we get to build upon our self-esteem, implement successful team building skills and develop resilience and confidence. Through the success of our anti bullying lessons and the development of our gratitude and mindfulness, Class 5 students have concluded that "In a world where you can be anything, be kind".
